GICC Newsletter Vol. 1

## GLOBAL INDIAN CULTURAL CENTRE

**The Global Indian Cultural Centre (GICC) is a non-profit initiative of Global Indian Foundation established in Singapore in 2002 to provide an ideal environment for everyone in South-East Asia to enjoy the rich and diverse cultural heritage of the Indian sub-continent.**

### Overview

GICC follows recognized curriculum, employs trained and experienced teachers and primarily serves all communities in Singapore. Our method of instruction is student-centered and our teachers provide an atmosphere for active learning. The assessment, evaluation and reporting is based on clearly stated curriculum expectations and achievement criteria. Achievement charts for each discipline provides a reference point for all assessment practices and a framework within which to assess and evaluate student performances.

Over the years we've sourced subject experts from the various fields of performing arts, Fine arts, Languages and Games and they have constantly endeavored to bring out the talent in every child who attends the Cultural Centre classes

*This e-newsletter is the first from GICC as part of a continuous effort to keep all members updated and involved in its numerous events, activities and endeavours.*
